VALUES+ BOUQUET THIS WEEK

Name of the blossom: Kindness

Sweet notes:

People often say and do unkind things but is it always intentional? Have we been unkind this week, not only in our actions but our words and thoughts? What makes us do unkind things? An interesting fun-filled activity-laden session to teach the children the value of kindness.

What you can do:

The children will be taken through this session with many activities. You can ask the children’s experience after the session.
